RE: Andalex Resources, Inc., C/007/019  
Tower (Centennial) Mine  
Permit Change for Guard Shack  
Task #3085

Dear Mr. Haddock:

This letter is in response to the Division's letter of November 26, 2008, regarding the installation of a guard shack at the Tower Mine. The letter cited a deficiency, requesting an updated reclamation cost to reclaim the shack. Typically, I would give the details to Wayne Western, who would redo the spreadsheet, send it to me, and then I would re-submit it back to the Division. With Wayne no longer there, I'm not sure the best way to proceed.

The shack is a pre-built shed (from the lumber store) which is sitting on the dirt, not on a concrete pad. It is small (8' x 8') and can easily be moved with a forklift in a few minutes. I estimate it could be reclaimed (i.e., removed) for less than \$200. Could you have the new bonding person enter it into the Division's spreadsheet? Please note that the existing bond for the Tower Mine has an excess bond amount of \$179,000, so this should be ample to remove the shed.

Should you have any questions regarding this issue, please feel free to contact me

Sincerely,

David Shaver  
Resident Agent
